Re: 2021 Community Fire Preparation Day UPDATE

This is a reminder that *National Fire Prevention Association's Community Fire Prep Day* is May 1, 2021. Please refer to the Flyer mailed to you in February (and on our website) for more information. Instead of taking trimmings to the county dump, the *Pinos Altos Volunteer Fire Department* will be providing a chipper and crew to mulch your trimmings on Himalaya Way.

Please have your trimmings stacked neatly on the right side of Himalaya (the Fire Dept. lot) PRIOR to May 3rd so that the PAVFD crew can easily access them.

If you do not have the means to deliver your trimmings to Himalaya Way, Richard Zimmel or other HOA volunteers will pick up your trimmings, **stacked in neat piles** at the end of your driveway, **during May 1st and 2nd.**

Please follow these trimming/chipping guidelines from the PAVFD:

- DO NOT include trimmings that can be bagged (e.g., leaves, twigs),
- DO NOT stack wood that is **over eight inches in diameter** and too large to fit into the bed of a pickup truck.
- DO NOT include trimmings that are fibrous, such as yucca plants.
- If you plan to take your trimmings to Himalaya Way before May 3rd, please stack them butt end down like a Tepee.

Please contact Richard if you need pick-up of trimmings during the weekend of May 1 & 2:

Email: rzimmel61@gmail.com

Cell Phone: 575-223-8871

Please provide the total hours you have worked on your property from October 2020 through August 2021 to Richard Zimmel **no later than August 31, 2021**. These hours are required by, and will be added to, the *Firewise Renewal Application* for 2021. Please see the attached resources for additional information on individual or community property projects. Please follow COVID-19 safe guidelines if you plan to work with others: wear a mask and stay six feet apart.

Thank you for your participation to make our community safe from wildfires!
